

Thank you for your interest in The Heydays performing at your wedding reception. Here is a little information about ourselves:

We play a repertoire of music from the 90's, 2000's and 2010's that blends the stylings of pop, rock, dance, emo and country to provide a great night of high-energy tunes that leaves the audience wanting to dance and sing along all night long.

**We can provide the following services for your wedding reception:**

- Up to 3 hours of live music (including breaks)
- State-of-the-art sound and lighting systems
- Wireless microphone for provided host/emcee
- Recorded dance music to be played during set break(s)
- Recorded music to be played during dinner
- Recorded music for first dances and special dances
- Host/emcee of your event including introductions of wedding party, speeches and first dances
- Special song requests you would like to be played (live or recorded)

We also can tailor our song list to make sure we are providing the best entertainment for you and your guests. I've provided a list of songs we play to give you an idea of what type of entertainment we can provide.

Included in the price is a meeting to discuss songs you would like to be played, songs you would prefer not to be played, special requests and anything else you would like to discuss about your event. This will happen anytime around 3-4 months before your wedding date. It can take place in-person or over a video call.

**Below are a few questions we have for your event:**

- How long is your reception scheduled for?
- Would the band need to host/emcee? (some choose to provide their own)
- Would you have any special song requests that are not listed on our song list?
- Would you like the band to play any of the first dances? (Bride-and-Groom, Father-Daughter, Mother-Son)
- Do you have any special equipment requests? (Sound, lighting, audio/video, etc.)

Once we know more information about your event, we can put together a more accurate pricing estimate for you.

Please let me know if you have any questions on anything listed above. Thank you for your consideration.
